

Solutions for Original Equipment Manufacturers

Whether it's design assistance, delivery time, or simply products that outperform and outlast... **PERFORMANCE MATTERS.**

Why Leviton?

With more than 110 years of electrical experience, superior customer service and a strong commitment to quality in everything we do, we're dedicated to developing long-lasting relationships.

Global integration of our supply chain remains a continuous effort to achieve extraordinary service. We're committed to accommodating customer needs while focusing on coordination with suppliers.

Quick Turnaround

- We can hold inventory to accommodate spikes in demand

Flexibility to Meet Your Needs

- Custom SKU configurations
- Private labeling on the product, using labels, with part numbers
- Manufacture in specific colors

Save Time and Money

- Bulk packaging for products and components
- Assistance with agency testing
- Product modifications to ease and speed assembly

Backed By The Best

- Industry leading warranties mean reliability you can trust

Design Assistance

- Let us help you create something totally new!

Product Solutions:

Plugs & Connectors

- Straight Blade and Locking
- NEMA and Non-NEMA Configurations
- Black & White® Extra Heavy Duty Devices
- Python® Hinged Devices
- Wetguard® Watertight Devices
- Rhino-Hide® Rough Service Devices
- IEC 60309 Pin & Sleeve Devices
 - Power Indication

Portable Power

- Power Strips
- Portable GFCIs
- Portable Outlet Boxes & Covers
- Rhino-Hide® Single Pole Devices
- Stage Pin Devices
- Weatherproof Covers
- Temporary Power Boxes
- Medical Grade Power Strips
 - Load Monitoring

Lighting Controls

- Dimmers
- Motor and Fan Speed Controls
- Occupancy and Vacancy Sensors
- AC Combination Devices

Receptacles

- Single and Duplex, GFCI, USB
- Weather-Resistant, Corrosion-Resistant, Tamper-Resistant, Marked Controlled & Power Interrupting
- V-0 Max® Locking

Switches

- Toggle & Decora
- Manual Motor Controllers
- Safety Disconnects
 - Local and Remote Monitoring via Wi-Fi or Modbus RTU
- Tamper-Resistant, Pilot Light, Key Locking, Antimicrobial, Momentary & Maintained
- IEC 60309 Pin & Sleeve Devices
 - Local and Remote Monitoring

Submetering Solutions

- VerifEye™ Electric Submeters
- VerifEye™ Communication Products
- VerifEye™ BMO 3.0 Energy Monitoring & Tenant Billing Software
