

600W Dimmer with Wi-Fi Technology

decora smart™

APPLICATION

Control connected loads and lights from anywhere using Wi-Fi, an internet connection and the free My Leviton app; that is all you need, no hub required. Simplify control of the residence – schedule lights and connected loads to turn on/off at specific times or based on sunrise/sunset, easily group smart devices into rooms, and create scenes to activate multiple lights at once. Customize your experience with adjustable fade rates, maximum/minimum illumination levels, and more if desired. Integrates with IFTTT. Utilize auto-shutoff feature as a countdown timer in closets, hallways and bathrooms. Engage home vs. away to enact randomization of lighting control, providing a lived-in appearance.

Supports dimmable LED and CFL technologies up to 300 Watts along with support for legacy incandescent lighting loads up to 600 Watts.

AMAZON ALEXA VOICE CONTROL

Compatible with all products that support Amazon Alexa providing voice control of the load: “Alexa, dim living room lights to 25%”. Alexa devices sold separately.

GOOGLE ASSISTANT VOICE CONTROL

“Ok Google, turn [My Leviton device name] On”. Works with the Google Assistant. Google Home is a voice enabled speaker powered by the Google Assistant. Easily control smart devices around the home. (Google Assistant devices sold separately).

LOW-WATTAGE LED LOADS

The new lighting control accessories are engineered to function with extremely sensitive, low-wattage light sources, such as a single LED bulb in a hallway or a strand of holiday lights, ensuring LEDs do not glow when off.

WORKS WITH AUGUST DOOR LOCKS

Utilize August’s auto-unlock feature to run My Leviton lighting Activities when you return home.

WORKS WITH IFTTT (IF THIS THEN THAT)

Use the free IFTTT service to connect your My Leviton devices with other Internet Of Things (IoT) enabled devices & services to create a smarter home automation experience.

AESTHETICS

Dimmers leverage the popular Decora brand styling, along with compatible accessories including three-way devices, color change kits, and wallplates. Dimmers feature true rocker action, pressing the top to turn on and the bottom to turn off. Additionally, the dim/brighten bar is conveniently located along the right side of the paddle, ensuring ease of use. Vanishing LEDs on the left side of the paddle show current and target light level with real-time feedback for the most professional and cleanest installation. Pair the device with an optional Leviton screwless wallplate.

BENEFITS

- Control your lights from anywhere using the free My Leviton app for iOS and Android, no hub required.
- Amazon Alexa products provide voice control: “Alexa, turn on living room lights”.
- Works with Google Assistant including Google Home for voice control. “Ok Google, set [My Leviton device name] to [1-100]%
